**Dear Dr. Tulin:**

Warm greetings!

This is to recommend **Mrs. Mariedith I. Bagarinao** for thesis support charged to Faculty Development Fund to be able to finish her dissertation. Ms. Bagarinao is pursuing her Ph.D. in Agronomy at UPLB through the CHED K-12 scholarship program. Unfortunately, she failed to get thesis support from the scholarship program because of time constraints. Furthermore, typhoon Odette devastated her field experiment (Study 2), necessitating the re-conduct of the experiment. Presently she is now on manuscript writing. However, she still has unpaid bills for chemical analysis, etc.

Granting her financial support allows her to finish the degree and be of service in the department's instruction, research, extension, and production functions, especially now that the COPC for the Ph.D. in Agronomy program has been granted. Attached is the letter request of Mrs. Bagarinao.

We would appreciate your favorable action on this request. Thank you very much for your continued support.

Very truly yours,
