Prof. Rosa Ophelia D. Velarde

Director for Research

Visayas State University

Dear Prof. Velarde,

VSU is preparing for the Level IV Online AACUP Accreditation on March 21-25, 2022. I was charged with collecting data on the research performance of faculty involved in the Master of Agricultural Development (MAGDev) program. These are faculty from the Department of Development Communication and Department of Agricultural Education and Extension. I need data on their actual expenditures for research from 2016 to 2020. I am hoping that your office can supply me with this.

Because the presentation is drawing near, I am requesting that this be given to me as soon as possible. I acknowledge that this might disrupt your ongoing work and I apologize. Thank you very much for accommodating my request.

Respectfully,

JEDESS MILADEL N. SALOMON

Research and extension coordinator
