Sir / Madam:

I would like to apply for readmission effective second semester / summer 2021 -2022. My last attendance from this University was first semester / summer 2020 -2021. I was out of school for two(2) semesters and 1 summer(s) because of the following reason(s): I've experience some family problems my mother have a health problem and I am the eldest among six siblings and we need some money for the treatment of my mother and I need to get a job because my father's salary was only enough for our food. I tried to manage my time in school and work but I failed because I also do some sidelines (tattooing and painting) I used to tattoo for earning and join contest for painting for me to earn money to help for the treatment of my mother. I decided to stop for me to focus on helping my family about the problem that we have and spend that time with them. I do love to study and finish college but during that time I was really in need to focus with my family and my mother's treatment.

Hoping for your kind consideration sir, thank you.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.

Dear Dr. Tulin:

Good day to you Sir

I, Niño Hansel Seno Reyes a BSHRTM student in Visayas State University. I am seeking for readmission this second semester year 2022-2022. My last attendance from this University was first semester / summer 2020 - 2021. I was out of school for 3 semesters and 1 summer(s) because of the following reason(s): I've experience some family problems my mother have a health problem and I am the eldest among six siblings and we need some money for the treatment of my mother. I need to get a job because my father's salary was only enough for our food. I tried to manage my time in school and work but I failed because I also do some sidelines (tattooing and painting) I used to tattoo for earning and join contest for painting for me to earn money to help for the treatment of my mother. I decided to stop for me to focus on helping my family about the problem that we have and spend that time with them. I do love to study and finish college but during that time I was really in need to focus with my family and my mother's treatment. Filling the form of Leave of Absence was not in my mind during that time because of the problems that I had with my family and my mother's health. I hope sir that you would accept my reason(s) why I stopped for awhile (first semester year 2020-2021) and allow me to enroll again this second semester year 2022-2022. Now that I have some free time from work and my sidelines I wanted to finish this degree (BSHRTM). I really wanted to continue my studies sir and finish college because I only have a year to finish college. I promise to you sir that if you would accept me to enroll this second semester year 2022-2022 I will focus on my studies and strive to finish this degree to help me, my mother and my family to get their needs. I would be grateful sir if you could oblige me in this matter. Thank you sir and have a great day.

Respectfully yours,

NIÑO HANSEL SENO REYES
