Through: **Dr. Beatriz S. Belonias**
Vice President for Academic Affairs
Visayas State University

Dear President Yepes:

The Department of Agronomy strongly recommends the upcoming educational tour of Agronomy major (3rd-year) students through Prof. Mariedith I. Bagarinao to the Bureau of Plant Industry (BPI) – National Seed Quality Control Services (NSQCS), Babatngon, Leyte on May 3, 2024.

In this undertaking, however, the major students need to grasp and understand comprehensively and gain insights and practical experience on seed technology relative to seed testing, and the certification process. Besides, this would not only provide a learning experience to our major students but also impart relevant theoretical know-how concerning the appropriate application of laboratory activities as discussed during laboratory classes. Attached herewith is the letter request of Prof. Bagarinao for your perusal.

We hope that the aforesaid activity be given utmost attention and approval. Thank you very much and God bless.

Respectfully yours,

DIONESIO M. BAÑOC
Head, Department of Agronomy
VSU, Visca, Baybay City, Leyte

Recommending Approval:
