Subject: Application for Accreditation of VSU National Service Reserve Corps (NSRC) Unit, S.Y. 2024-2025

Dear Engr. **Monge**:

Warm greetings from Visayas State University (VSU)!

In line with our unwavering commitment to promoting disaster preparedness and strengthening community resilience, **we respectfully seek your endorsement for the accreditation of the VSU National Service Reserve Corps (NSRC) Unit for School Year 2024–2025, to be submitted to the Office of Civil Defense Region VIII.**

The VSU NSRC Unit is composed of passionate and well-trained student volunteers who have successfully completed intensive skill development programs in Basic Life Support (BLS) and Cardiopulmonary Resuscitation (CPR). These trainings were conducted by the Baybay City Disaster Risk Reduction and Management Office (DRRMO) in collaboration with certified medical service personnel. In addition, our Corps members have undergone formal certification training facilitated by the Provincial DRRMO, as documented in the supporting materials attached to this letter.

Through these capacity-building initiatives, our student volunteers have demonstrated both competence and commitment in contributing to disaster preparedness, response, and recovery efforts—within the university and across the broader Eastern Visayas region. We are confident that the accreditation of our NSRC Unit will further enhance our collaborative engagement with your esteemed office in advancing a culture of safety and resilience.

We sincerely hope for your favorable endorsement of our accreditation request. Should you require any further information or clarification, please do not hesitate to contact us at op@vsu.edu.

Thank you very much for your attention and support.

Respectfully yours,

PROSE IVY G. YEPES (EdD.)
