THRU: DR. DANIEL LESLIE S. TAN
VP for Administration and Finance

Dear Sirs:

Warmest greetings from OHIA!

During my attendance at the Annual Convention Seminar hosted by the Association of Government Accountants of the Philippines (AGAP), SVP Renato Limsiaco Jr. mentioned to me the **Konsulta Program of PhilHealth** where employees and students can avail of free consultation and free monthly maintenance medicines that extends to their families. He mentioned that probably there is a big percentage of employees who have maintenance meds which I confirmed.

Mr. Hendry Madula, CSIO, LHIO Ormoc called me and asked me if He can have a face-to-face appointment with the head of the agency. He mentioned also that he sent his people to our USHER in May and July 2022 but until now they have not received the requirements for the Konsulta Program.

This program is most beneficial to all VSU students, employees, and their families.

I look forward that this will be part of your priority program.

Thank you very much. More power and God bless!

Yours respectfully,

MARIA TERESA A. CRUZ
