Sir / Madam:

I would like to apply for readmission effective 2<sup>nd</sup> semester / summer 2021 -2022. My last attendance from this University was 1<sup>st</sup> semester / summer 2005 -2006. I was out of school for 30 semesters and \_\_\_\_\_ summer(s) because of the following reason(s): Our family was financially in troubled in 2005 especially that time when my father got stroke and later was brought to hospital. I have no option but to stop schooling and find work to meet the medical expenses and for our basic daily needs. Later in time, my father peacefully rested and much of the expenses depended on me. I also had my own family that time and so I need to continue working for our daily provision.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
