**RED CROSS
Chapter**

vd., Tacloban City

D e-mail: leyte@redcross.org.ph

We would like to extend our heartfelt gratitude for granting our request of collaboration for the learning visit to your campus and to be the venue for our **Lobby & Advocacy Workshop on June 13-15, 2022**. We look forward to continuously working with your good office as we learn from your environment and climate change initiatives that will help us and our partners discover, design and develop a long-term plan of action for the landscape programme.

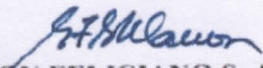

We would be honored to have you join us and offer us an opening remark on June 13, 2022, 1:00PM. Given your full commitment to ensuring sustainable agriculture and resilience, this is an opportunity for us to learn from you and your initiatives in reducing disaster and climate risks, and on how we can work together to bring the communities in the forefront to resilience.

Further, we would also appreciate having Dr. Eliza Espinosa or anyone from the faculty of the Institute of Tropical Ecology & Environmental Management could join and share their expertise/knowledge on the Tropical Ecology Program on Rainforestation through rainforest tour/walk.

Attached is the copy of the final program for your reference.

We highly appreciate your positive feedback and confirmation; Mr. Teddy Owen Macorol, Chapter Project Officer, will be contacting you or your representative to follow through with the request. Should there be any clarifications, you may reach her through email tedyong143@gmail.com or mobile no. +63 906 170 1093.

Sincerely,

ERICSON FELICIANO S. ALARCON
Officer-in-Charge
