

REQUEST FORM FOR CHANGING DEGREE PROGRAM OR MAJOR FIELD

Student Number : 21-1-01363

Name of Student : Ronamae P. Aldiano

FROM:

TO:

Current Degree Program: Bachelor of
Science Geodetic Engineering

Desired Degree Program: Bachelor of Science
Civil Engineering

Effective [] 1st Sem. [/] 2nd Sem. [] Summer ,
A.Y. 2021 - 2022

Reason(s) for Changing:

To begin with, BSGE is not my preferred course, and I am only here because I was unable to enroll in BS Civil Engineering and wish to change my current degree program. To be honest, enrolling in a course in which I have zero interest is quite tough for me. I had intended and decided to study Civil Engineering, but I was unable to do so due to a lack of available slots. I may end up wasting money and time if I continue with my current course for I found passion and interest in the fields of construction and design.

I'm eager to get started and continue learning about something that interests me, which is BSCE.
