Sir / Madam:

I would like to apply for readmission effective second semester 2021 -2022. My last attendance from this University was second semester 2020 -2021. I was out of school for one semesters because of the following reason(s): I do not have any subjects to enroll in the 1st semester because the subject Special Studies in Geodetic Engineering (GEng 162) that I will be going to enroll will be offered in the 2nd semester of this school year.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
