Dear **Dr. Tulin**:

First of all I would like to express gratitude for allowing me to go on sabbatical leave for a year. I would like to inform your office that I will be reinstating by March 14, 2022. As to the outputs required of me during my sabbatical, I have one research paper published in the Springer (Netherlands) journal *Small-scale Forestry*, entitled, *The effects of the implementation of the National Greening Program on the socioeconomic status of smallholders in Caibiran, Biliran, Philippines*. My two other papers are presently under review. Attached are emails regarding the publication of my first paper by Springer.

Thank you.

Very truly yours,
