Sir / Madam:

I would like to apply for readmission effective 2nd semester / summer 2021 - 2022. My last attendance from this University was 2nd semester / summer 2020 - 2021. I was out of school for two (2) semesters and 1 summer(s) because of the following reason(s): I was suffering heavy depression and was having a hard time coping up with it in which greatly affected my studies.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.

Dear Dr. Tulin:

Good day to you!

I am humbly asking for readmission for this school year's second semester. I stopped going to school at school year 2020-2021 2nd semester, the reason being that I was suffering depression which had affected my studies. It started at the first semester where I was not given any allowance to buy internet data for online class where I had to do labors to earn money to buy load. Internet signal at these times were rough too in which I got frequently disconnected during lessons and activities. My gf also broke up with me thus adding to the pain that I was going through in which ultimately for me to drop out of class for I was not having any will to do anything. I was suffering a lot back then but now that I am okay and we have our own wife, I have decided to study again and will focus on it. I am sorry for not filing my LOA for I was not aware of this procedure.

Respectfully yours,
