**MOISES NEIL V. SERIÑO**

Chairman, VSU Housing Commission &  
VP for PRGAS

Dear Dr. Seriño,

Greetings!

I am writing to provide an update on my housing application at Visayas State University (Main campus). My name is Mariedith I. Bagarinao, currently serving as Assistant Professor III in the Department of Agronomy. I recently completed my Ph.D. in Agronomy at the University of the Philippines, Los Baños.

In addition to my professional commitments, I am a mother of two toddlers and expecting my third child. Providing a stable and supportive home environment for my family is of topmost importance, and I would like to inquire about the possibility of being considered for housing that can accommodate both myself and my entire family. This would enable me to better focus on my academic responsibilities while ensuring the well-being of my children. Unfortunately, the current housing assigned to me at ASEAN Dorm is not suitable for my family's needs.

I am deeply committed to contributing positively to the University community and maintaining a responsible and respectful presence in the provided family housing. I believe that the university's support through family-appropriate housing will greatly assist me in balancing my professional and personal responsibilities.

Thank you for your attention and consideration. I look forward to the possibility of discussing this further and am available at your convenience.

Sincerely,

**MARIEDITH I. BAGARINAO**
