Dear Sir:

One of the topics for the ROTC program of instruction is basic life support. Basic life support is intended to develop the students' preparedness to respond to emergency situation that requires first aid. To give a comprehensive training, we invited trained personnel to conduct a whole-day instruction for all Basic Cadet and Cadettes on November 19, 2022, Saturday (7:00 AM – 5:00 PM). This special instruction is for all Basic Cadet and Cadettes in order to gain advance knowledge about Basic Life support and First Aid through series of lectures and application.

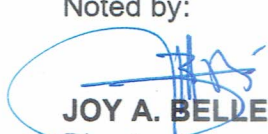

In this connection, the Office of the ROTC Commandant would like to request to conduct a whole-day instruction on the said date.

We hope that this request will merit your consideration and approval.

Respectfully yours,

NOEL A. CAGASAN
LTC (INF) GSC PA
Commandant
