

February 7, 2022

Dr. Anabella B. Tulin
Dean, Graduate School
VSU, Visca, Baybay City, Leyte

Dear **Dr. Tulin**,

We wish to request **Dr. Jannet C. Bencure**, Dean of the College of Engineering and Technology, to teach LAMP229 (Technologies for Geodata Collection, Analysis, and Interpretation) on the second semester of 2021-2022. This is a required core course of the MSLAM and MLAM degree programs. Dr. Bencure specializes in Remote Sensing and GIS and our recommendation for her to join the university's graduate faculty considering her expertise in geodetic engineering has been approved.

Thank you very much for your support.

Very truly yours,

ISRDS Personnel Committee:
