Sir / Madam:

I would like to apply for readmission effective 2nd semester / summer 2021 -2022. My last attendance from this University was 1st semester / summer 2020 -2021. I was out of school for 2 semesters and 0 summer(s) because of the following reason(s): It was hard for me to keep up with the previous course (BSFT), failed to adapt to the new learning system which was the distance learning (online class set-up) and had to temporarily work during that time to help my family.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.

Dear Dr. Tulin:

Good day to you!

I stopped at 1st (First) Semester- School Year 2020-2021. I was struggling with the course BS Food Technology and I had trouble to keep up with the classes due to poor connection. I forgot to think about filing LOA because I was depressed and frustrated at that time that all I could think was give up and drop out of school. Due to family and financial problems. I'm hoping for readmission this Second (2nd) semester- School Year 2021-2022.

I will continue my studies in Visayas State University in the course BS Hospitality Management, I can study worry free to signal status/internet because our area was recently fixed and gained improved internet speed. My parents are willing to support my studies this time. I promise that I will be more than motivated to study in Visayas State University and willing to finish my course.

Respectfully yours,
