Dear **Dr. Horvatek Tomić**,

Greetings from the College of Veterinary Medicine- Visayas State University, Philippines!

With the ongoing Erasmus+ Mobility Agreement, I would like to cordially invite you to visit the College of Veterinary Medicine of VSU in May 2022 to speak on bacterial diseases of poultry and how to handle clinical cases of avian species. The College of Veterinary Medicine is very interested in learning developments and insights on poultry diseases, especially from the European standpoint. The faculty and students at the college will be pleased and grateful for the knowledge, expertise, and experiences that you will share.

I am looking forward to your visit here to our university.

Sincerely yours,

SANTIAGO T. PEÑA, JR.

Dean
