

JUSTIFICATION

This is to justify VSU's subscription for a video conferencing solution and webinar platform for the project "Conduct of Activities for Sports and Culture Development".

Before the project, VSU did not have the abovementioned platform to hold virtual events, our only way to conduct sports and cultural activities in the time of pandemic.

The subscription allowed us to hold collaborative meetings, as well as livestreaming to social media, to hold such activities with our students as well as stakeholders.

Thank you very much!

JED ASAPH D. CORTES
Head, VPP/MMDC
