Dear **Pres. Yepes**,

Warm greetings!

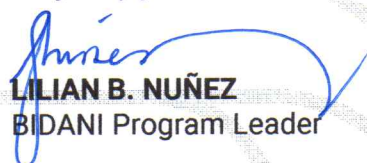

We highly recommend Ms. Melodina P. Edullantes, Science Research Specialist and Coordinator of VSU-BIDANI's nutrition component, the Participative Nutrition Enhancement Approach (PNEA), to attend the 2025 National Convention of the Philippine Stakeholders for Nutrition and Dietetics (PSDN) on September 3–4, 2025, at SEARCA, UP Los Baños.

Ms. Edullantes has been actively involved in implementing community-based nutrition programs in partnership with City and Municipal Nutrition Committees of our partner LGUs. Her participation in this convention will strengthen her knowledge and skills in nutrition program implementation, allow her to learn from the experiences of practitioners from other parts of the country, and provide opportunities to share her valuable field-based insights.

We believe her attendance at the said convention will further enhance her capacity to manage BIDANI's nutrition initiatives and support the program's responsiveness to the needs of our partner communities.

Thank you very much for your support of our programs and projects.

Very truly yours,

LILIAN B. NUÑEZ
BIDANI Program Leader
