Dear Sir:

The Department of Agronomy would like to recommend **Mr. Wences Rey Dela Peña**, faculty of the Department of Agronomy, to manage the Patag, Guadalupe and Pangasugan Rice Production Project of the University starting this year instead of **Prof. Ed Allan L. Alcober**. This initiative is about the request of Mr. Alcober to be relieved as manager of the said project due to his various involvements in research, extension and other functions assigned to him. Nevertheless, Mr. Alcober will continue his duty as the Rice Seednet Project manager as he is the only trained and accredited rice seed grower by the Bureau of Plant Industry.

Hoping for your favorable response to this request.

Very truly yours,

RUTH O. ESCASINAS
Head, Department of Agronomy

Conforme:

ED ALLAN L. ALCOBER
Faculty, Department of Agronomy
