Vice-President for Academic Affairs and
Chairperson, Academic Personnel Board

Dear **Dr. Tulin**:

Greetings!

The Department of Physics Personnel Committee recently conducted the Teaching Demonstration and Interview for the part-time instructor position (Job Code: AVRLIG). For this job position, we have only one applicant, Ms. Cara Luz Buar.

Based on our evaluation, we would like to recommend Ms. Cara Luz Buar to teach Physics and ScTS 11 (Science, Technology, and Society) at the department for this semester. As a substitute and part-time instructor, Ms. Buar has been teaching in the university for more than three years, including the previous semester, A. Y. 2021-2022. However, upon careful examination of the documents of Ms. Buar, the Department of Physics Personnel Committee saw that she is qualified for a regular position because of her MA in Science Education-Physics and experience in teaching in the university. In addition, as a colleague of the department for several years now, we have found that she has the potential to be developed as a faculty of the Department of Physics and has the knowledge, skills, and attitude to contribute to the department's growth.

In line with this, we would like to request that she be recommended as a Regular Instructor instead of the available Part-time Instructor position.

We are hoping for your favorable action on this request.

Thank you very much.

Sincerely yours,

REV RHIZZA L. AURE
