Dr. Dennis P. Peque

VP for Research, Extension, and Innovation
Visayas State University
Visca, Baybay City, Leyte

Thru: **Dr. Antonio P. Abamo**
Director for Extension

Dear **Dr. Peque**,

Greetings!

I am writing this letter to wholeheartedly endorse Mr. Gideon Neil Tan as the ideal candidate to assume the role of Project Leader in our project entitled "Agro-enterprise Clustering Approach (AECA) for Inclusive Vegetable Production and Marketing" at Eco-FARMI, effective January 2024 through December 2024.

Having had the privilege of working closely with Mr. Tan as a colleague and affiliate research staff member, I can attest to his exceptional capabilities, dedication, and passion for advancing the objectives of our organization. Throughout his tenure, Mr. Tan has consistently demonstrated a keen intellect, strong leadership skills, and a remarkable ability to navigate complex research landscapes.

I am confident that under Mr. Tan's capable leadership, the AECA project will continue to thrive and achieve new heights of success. His vision, determination, and ability to inspire others make him the ideal candidate to steer the project towards its goals and objectives. I am certain that he will exceed expectations and make a lasting impact on the project and our organization as a whole.

Sincerely,

DHENBER C. LUSANTA
Instructor III, Eco-FARMI
Project Leader
