Dear **Dr. Serioño**,

In our commitment to develop VSU's component campuses into BIDANI project implementers, we are conducting a series of capacity building activities considering that as a development program and strategy, BIDANI has three components—BIDA, BMIS, and PNEA—that comprise its corporate identity. The first activity, a seminar entitled **"BIDANI as an Extension Program of SUCs,"** will be held on **July 21-22, 2022 at the ISRDS Training Room, VSU Main Campus, City of Baybay, Leyte.**

Having served as VSU's Director for Extension in the past, you are cordially invited to deliver the topic on **"Mandates of SUCs and Local Governments in Extension and Social Services."** As a member of the BIDANI national network, VSU, through its BIDANI team, was furnished all the presentation materials for the topics that the seminar covers. We will be using these materials but our invited resource persons are free to make enhancements or to prepare their own presentations if they so desire. Additionally, we will be honored to have you during the Awarding of Certificates on the second day of the seminar. Please find attached the seminar program.

We are inviting five faculty members from each of VSU's four component campuses or a total of 20 participants. The ISRDS Training Room has adequate space for our seminar participants and guests, and we will be strictly observing the COVID-19 prevention protocols.

We looking forward to your acceptance of our invitation.

Thank you for being ever supportive of our projects and activities.

Very truly yours,

LILIAN B. NUÑEZ
Director, ISRDS and
Program Leader, VSU-BIDANI
