Dear Ms. Taganas:

Greetings!

I would like to inform you that the ACIAR-GAP Team composed of Production, Socio-Econ and Training of the project titled: "Developing Vegetable Value Chains to Meet Evolving Market Expectations in the Philippines (HORT/2016/188)" lead by VSU, will have a **Learning Journey Activity on February 5-12, 2023** to PhilGAP Certified Farms in Central Luzon. Our aim is to learn more about these farms in terms of PhilGAP promotion, consumers' awareness, insights of farmers on PhilGAP certified produce and market linkages to help us improve the PhilGAP-certified farms in Eastern Visayas. Furthermore, we would also like to know the farming techniques of onion production since a group of onion growers called "CALASAG" an accredited supplier of Jollibee Food Corporation.

In this regard, we would like to request **Ms. Concepcion B. Miro, Training Component Team Leader**, to join this learning journey as part of the VSU-ATI-ACIAR GAP Project collaboration. Her presence is highly needed in the said activity.

Looking forward to your favorable action. Thank you very much.

Very Truly Yours,

DHENBER C. LUSANTA
Project Leader, ACIAR-GAP
