

01 October 2021

DR. LUZVIMINDA A. TAJOS

Chancellor, Isabel-Campus
Visayas State University
Isabel, Leyte

Dear Dr. Tajos:

This is to inform you that you have been recommended to participate in the Southern Mindanao Agriculture Aquatic and Natural Resources Research and Development Consortium (SMAARRDEC) Virtual-Cluster Farm Industry Encounters through the S&T Agenda (FIESTA) on MANGO with the theme "Sustainable, Well-Enhanced and Efficient Technologies (SWEET) on Mangoes". This project is co-implemented by ViCARP-VSU (Region 8) and SOXAARRDEC-USM (Region 12). The event will be staged virtually on December 3, 9-10 and 16-17, 2021. You may also encourage your faculty and staff to participate. Here is your link to join:

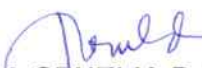

Meeting ID: [881 9899 5142](#)

Passcode: [749312](#)

FIESTA is a strategy of PCAARRD to promote and commercialize regional science and technology-based products to its target adopters and markets nationwide. The Cluster FIESTA on Mango aims to promote and showcase the mango R&D outputs of the clustered consortia. Specifically, it seeks to bring closer the technologies identified for business.

Thank you.

Very truly yours,

ROSA OPHELIA D. VELARDE
Director for Research, and
VICARP R&D Coordinator
