Dear Atty. Guinocor:

Greetings!

In relation with the implementation of our PROJECT TARSIER, the University of the Sunshine Coast, Australia (USC) and Shell Philippines drafted the "USC-VSU Project Research and Development Contractor Agreement Summary of Proposed Terms". In line with this, we would like to request your kind legal opinion on the attached drafted document before President Tulin signs it to ensure that our agreements are in accordance with the existing laws. Kindly keep the said document confidential as of the moment as requested by Shell Philippines.

Hoping for your favorable consideration on this matter.

Thank you very much.
