

REQUEST FORM FOR CHANGING DEGREE PROGRAM OR MAJOR FIELD

Student Number : 21-1-01360

Name of Student : Ymas, Niña Roshel V.

FROM:

Current Degree Program: **Bachelor of
Science Geodetic Engineering**

TO:

Desired Degree Program: **Bachelor of Science
Civil Engineering**

Effective [] 1st Sem. [] 2nd Sem. [] Summer ,
A.Y. 2021-2022

Reason(s) for Changing:

I would like to change my current degree program for BSGE is not my preferred course, and I am only here because I was unable to enroll in BS Civil Engineering. To be honest, enrolling in a course in which I have no interest is extremely difficult for me. I had hoped to study Civil Engineering but was unable to do so due to lack of available slots. My interests and passions are in the fields of construction and design. If I continue with my current course, I may end up wasting money and time. As a result, I am eager to get started on something in which I am truly interested in and that is BSCE.
