NATIONAL SERVICE TRAINING PROGRAM

13 February 2025

CHRISTIAN VIE P. BALDONADO

Dean, College of Nursing
Visca, Baybay City, Leyte

Dear Sir Baldonado:

The National Service Training Program (NSTP) at Visayas State University, Visca, Baybay City, Leyte aims to equip graduates from the Civic Welfare Training Service (CWTS) with the skills and confidence necessary to serve as reliable members of the National Service Reserve Corps (NSRC). These graduates are expected to respond effectively to emergencies such as vehicular, fire incidents and natural disasters. However, we have identified a gap in their preparedness; many graduates lack sufficient knowledge and skills to respond confidently in emergency situations. To address this issue, we will be providing training on essential topics including basic of firefighting, basic life support (BLS), and cardiopulmonary resuscitation (CPR).

In light of this, we kindly request permission to borrow **two (2) adult and two (2) infant manikin** for our lectures scheduled on February 15, 22, 2025, March 1, 8, 22, 29, 2025, April 5, 12 and 26, 2025, May 3 and 10 of 2025 (all Saturdays). Rest assure that it will be handled accordingly

We appreciate your consideration this request and look forward to your favorable response.

Thank you for your support.

Sincerely,

MARLON V. DAMPIOS

CWTS Team Leader and NSTP dDRC
