Dr. DENNIS P. PEQUE
Dean, CFES
Visayas State University
Visca, Baybay City, Leyte

Dear Dr. Dennis,

Greetings!

I would like to request an approval for the cutting of trees that travers along Ponce Residence to DASS area in order to make way for the installation of electrical post, aerial distribution line and transformer for the said transmission line.

Having said that, your assessment on those trees is highly appreciated. Hoping for your positive response for this communication.

Thank you and best regards!

Respectfully yours,

MARLON G. BURLAS
PPES-Head
