- Faculty access logs
- Monitoring reports
- Other attachments

B. Monitoring Remarks

The instructor and students have recent logs in this virtual classroom. All parties are actively using this platform for submission of assessments, conduct of quizzes and exams, and posting of announcements related to the course. The VC is well organized with varied learning materials such as PowerPoint presentations, class recordings, and learning tasks/activities. Overall, the VC is compliant with the guidelines.

Monitored by:

CHARLIE S. ANDAN

Head, Department of Meteorology

Date: 1-23-23

Vision:
Mission:

A globally competitive university for science, technology, and environmental conservation.
Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.
