Prof. Maria Aurora T. W. Tabada

Head, Gender and Development
Visayas State University

Dear Prof Tabada,

As the world is now facing the crises brought by COVID -19, there are changes in the educational system. Amidst the pandemic, we continue delivering educational services, especially in structuring Art Apprenticeship I and II courses for the Bachelor of Culture and Art Education.

As part of the apprenticeship plan, we are honored to invite you to speak on the Orientation for Student Art Apprenticeship. The event is a two-day program with sixty (60) student apprentices. Your discussion on "GAD Sessions" is essential to the program and will be essential in the deployment of our apprentices.

Your presentation will be on **July 20, 2022, at 1:30 PM at the VSU Library Audio Visual Room**. We believe that your discussion will be a critical addition to the Apprenticeship Program.

Thank you in advance for your consideration, and we are very much looking forward to hearing from you.

Very truly yours,

SHEENA EUNICE B. TABUDLONG
Apprenticeship Coordinator
