Justification (Rationale for nominating applicant)		
<p>The applicant has been connected with the university for almost five years and is noted to be well-performing in his home department. He works with minimal supervision. The training to be obtain under I-SUCEED program would prepare him to be better in the delivery of courses especially in the midst of educational transition. As a budding researcher, Mr. Acob can utilize the learnings to engage in developing studies which impacts lives and living of his clienteles. Sending him further to this exercise benefits the school as well since his output becomes input toward student development and formation. His professional career would also advance knowing that the program incorporates newest trends and issues both local and foreign importance.</p>
