Dear Ms. **Castañeda**,

Submitting herewith the new schedule for ESci 114 Laboratory with offering numbers A007 and A012, merging the two sections as suggested and agreed by the students for Midyear AY 2021-2022. We agreed on this matter since most students from A012 do not want to have a class on Saturday and they are available on the Wednesday afternoon. The other section (A007) only has seven students, and they agreed on merging with the A012 students since they are also available on the new schedule.
