

RESEARCH PROPOSAL EVALUATION FORM

I. BASIC INFORMATION

Project/Study Title:

Development and Validation of English Language Proficiency Test (ELPT) using CEFR Model in a State Higher Education Institution

PROJECT/STUDY CLASSIFICATION: (Pls check)

☒ Basic ☐ Socio-econ ☐ Applied

II. TECHNICAL INFORMATION

A. Rationale (Purpose/intent of the program/projects)

☒ Relevant to current needs/demands

☐ Not relevant

☐ Other comments, please specify; include more recent local empirical data (from CHED or DepEd reports) to further justify the urgency of the project within the Philippine higher education context. Clarifying how VSU's ELPT will differ from or enhance existing CEFR-based assessments to make the rationale more compelling.

B. Objectives

☒ Appropriate

☐ Not appropriate

☐ Other comments, please specify _____

C. Expected Output

Clearly define

D. Potential Impact:

Relevant to institutional goals and SDG's

E. Methodologies/Work plan

☐ Appropriate

☐ Not appropriate

☒ Other comments, please specify; 1. Clarify the sampling strategy of the study, specifically how the 300 participants will be selected and whether stratified representation across programs is ensured. 2. Add how ethical approval and data privacy compliance will be obtained and monitored throughout the implementation of the project.

F. Milestone

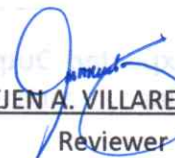

Objectives	Expected Output	Activities	Months						
			1st	2nd	3rd	4th	5th	6th	n th

G. Users:

H. Budget Requirement (Philippine Peso) Use separate template provided

Recommendation:

- ☐ For approval and implementation
- ☐ For revision
- ☐ For rejection
- ☐ Others, Minor revision before approval, and don't forget to incorporate the suggested distribution of study leader and co-study leader of the proposed project.
