Dear **Dr. Rivera**,

The Action for Economic Reforms (AER), which is our NGO partner in the Coalescing Organizations Towards Locally-Led Actions to Boost Development (COLLABDev) project, is conducting the Data 360 Workshop for project partners on March 23-24, 2023 (Thursday & Friday) at the VSU RDE Hall. The team will be arriving from Manila tomorrow (Wednesday) and will be leaving on Saturday, while the 40 workshop participants will be staying for two days, i.e., Thursday and Friday.

With the desire to enjoy their stay at VSU comes their enthusiasm to engage in sports like basketball and volleyball with the workshop participants during their free time. It is for this reason that, on behalf of the AER team, I am borrowing two balls each for basketball and volleyball. We will return these items to IHK in good condition on Monday, March 27, 2023.

Thanks so much for the support!

Very truly yours,

LILIAN B. NUÑEZ
