**Dear Dr. Tulin:**

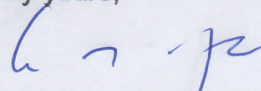

Greetings!

This is about our 4<sup>th</sup> year BSEcon and BSA-AgEc major students who are expected to graduate this 2<sup>nd</sup> semester of SY 2021-2022. Because of the pandemic, we have not yet met these students. Given some concerns and needs to be addressed on their academic status and thesis-related undertakings, we would like to request your kind approval to allow them to come to VSU for consultation with their respective thesis adviser starting this week until March 11, 2022, the schedule we set for their thesis progress review. The schedule for the F2F consultation will not happen at the same time, only when the adviser and student feel the need to meet F2F. Also, most of our graduating students are living within Baybay and its surrounding towns, hence they can go home within the day. Herewith is the list of DOE graduating students.

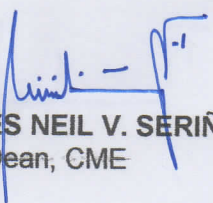

Rest assured that we will strictly follow the safety health standard protocol prescribed by VSU and AITF as well as the presentation of their student ID and a valid vaccination card upon entry on-campus.

Thank you very much and we are hoping for your approval of this request.

Very truly yours,
