LEGAL OPINION/COMMENT

Dear Dr. Bande,

This office received a Memorandum of Agreement (MOA) between Visayas State University (VSU) and Restor Eco AG ("Restor") in promoting innovation in restoration planning and monitoring to help in increasing the success and transparency of ecosystem restoration efforts through the interplay of data, culture, and communities. After a careful review of the said document, this office did not find any major issue with the said MOA.

Thank you very much.
