Dear Dr. Tan,

Greetings!

Respectfully submitting the Faculty Development Plan of the Department of Economics for the period 2024-2028. This is one of the outputs of the strategic planning conducted last year. After carefully deliberating on the pressing issues like, industry's demand, capability of students, facilities, among others, this plan was then crafted.

We at the department believed that this plan was designed to meet the current and future needs of the unit, the university, and the society as well. Further, this plan was designed to be in harmony with the VSU's vision and mission.

Thank you very much for your continuous support! God Bless VSU!

Very respectfully yours,

ZYRA MAY H. CENTINO
