

REQUEST FORM FOR CHANGING DEGREE PROGRAM OR MAJOR FIELD

Student Number : 20-1-01999

Name of Student : Bengie Morera Matiga

FROM:

Current Degree Program: **BS in
Agricultural and Biosystems Engineering**
Major Field: Not Yet Taken

TO:

Desired Degree Program: **BS in Civil
Engineering**
Major Field: Not Yet Taken
Effective [] 1st Sem. [☒] 2nd Sem. [] Summer ,
A.Y. 2021 - 2022

Reason(s) for Changing:

The reason why I want to shift to Civil Engineering is that I find it difficult to cope up with the other subjects specifically the majors and I think I don't belong in this field. We did not come from a family of farmers that is why I cannot relate to some of the topics that were being discussed. And also, Civil Engineering is my father's choice and I'm also interested to study civil engineering. In addition, I want to shift to Civil Engineering because I want to pursue what I really want. I really hope that the Department of Civil Engineering will give me a chance to prove myself in this field.
