Dear Dr. Yepes,

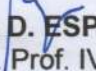

I hope this letter finds you well.

I am writing to inform you that I am now ready to return to my duties as a faculty member (Associate Professor) of ITEEM¹ following my approved (emergency) Sabbatical Leave, which began on November 3, 2023. With God's grace and mercy, I have recovered from my surgery and have been cleared by my physician to resume work on November 1, 2024.

I am grateful for VSU's support and understanding during that challenging time, and I am excited to be with the team again and contribute to our ongoing and future undertakings and make further positive impacts for the general clientele of the university.

Thank you once again for your consideration.

Very truly yours,

ELIZA D. ESPINOSA
Assoc. Prof. IV
