DR. EDGARDO E. TULIN

President

Visayas State University

Visca, Baybay City, Leyte

Dear Sir,

This is to request your endorsement of the submission of my Terminal Report to PCAARRD for the research project entitled **Rehabilitation Strategies for Critical Mangrove and Coastal Forests in Coastal Communities of Western and Northwestern Leyte**. The PCAARRD-funded research was completed on July 31, 2018, after which data enrichment and analysis were conducted, papers were presented in local, national and international webinars, and knowledge products we produced and disseminated such as Community Guide to the Rehabilitation of Degraded Mangrove Forests, Manual of Mangrove and Beach Forest Species in Leyte, and training materials in powerpoint and video clip forms. Let me also take this opportunity to thank the VSU Administration for the support in the implementation of the project.

Hoping for your favorable consideration.

Sincerely yours,

EDUARDO O. MANGAOANG, PhD

Professor and Director
