Reason(s) for Changing:

This Covid-19 pandemic made class done online. It is difficult for me to comprehend with mathematical equations because of online learning and I cannot focus here at home. During the past years of schooling, grades in mathematics were good until A.Y. 2020-2021 Second semester proved that I am not learning and numbers do not sink in to my mind.

For me to continue schooling, I have to choose Biology for it was actually my first dream course. Since I like Biology and Research, I have to take up first Statistics so that research related to biology will help me get through.
