Reason(s) for Changing:

Veterinary Medicine has been my first choice ever since senior high school. VSU is one of the promising schools that offered this type of course. I was able to get in after taking the entrance exam but sadly I was not able to be included in the list as a qualifier for the course. I would like to take this opportunity to get back on track and hope to slowly align my course to achieve my dream. My interest for the course is still growing and my eagerness to learn is still on peak.
