PROF. MANOLO B. LORETO, JR.

Dean of Students, ODS
Visayas State University

Dear Sir Loreto,

The National Service Training Program (NSTP) of this University will provide a lecture on Character Enhancement as part of its module. This topic is required as common module under the Implementing Rules and Regulation (IRR) of RA 9163. As in the past, we invited experts to deliver this important topic to our students to ascertain quality instructions based from the experts. Your program on Character Enhancement is closely connected with our topic on Filipino values. I strongly believe that a webinar focusing on student development shapes them toward the attainment of VSU's VMGO.

In this regard, may I humbly invite resource persons from the Office of the Dean of Students to our ROTC cadets on June 4, 2022 (8:30AM – 12:00NN) via Zoom, FB live and Education Series Channel.

We hope that this invitation merits your kind and serious consideration for the enlightenment and civic-consciousness of our youth.

Thank you very much and more power.

Sincerely,

JOY A. BELLEN

Director, NSTP Office
