Dear **President Tulin**:

This is to strongly endorse the request of **Prof. Mariedith I. Bagarinao** for a reduction in her teaching load effective the first semester of School Year 2023 -2024. The reason for reducing her teaching load is vital due to a very important undertaking regarding the completion of her Ph.D. degree. Prof. Bagarinao requesting us benevolently because she is very busy nowadays in writing her Ph.D. dissertation to comply with the said requirement for finishing her degree. As such, she needs the utmost approval relative to the aforementioned request.

Thank you very much and more power to everyone.

Very truly yours,

**Academic Personnel Committee**
