Dear Dr. Limbo,

The Visayas State University ROTC Unit is having face to face Cadet Officer Qualifying Course (COQC) CL: 03-22 and Advance Officers training this semester. One of the topics covered in the training is DRRM which focuses on water safety. We believe this is critical given our geographic location.

In this connection, may we humbly invite at least 3 facilitators of the "Langoy sa Kaluwasan" extension project to facilitate learn to swim on May 28, 2022 from 8:00AM to 12Noon.

Your support is vital to the success of the said activity.

Thank you very much and more power.

Sincerely,

JOY A. BELLEN
Director, NSTP Office
