DR. EDGARDO E. TULIN

President
Visayas State University
Visca, Baybay City
Leyte

Dear Dr. Tulin,

Kindly accept this letter as my official retirement letter effective February 3, 2022, as a Professor at the Visayas State University.

I am grateful for the opportunity to have worked in this university for the last 40 years. During that time, I've gained personal improvements, experience, and friendships that I will forever value. I have enjoyed working as part of the College of Veterinary Medicine; I feel that I have genuinely contributed to its development as a full-fledged veterinary institution since I arrived in the early 1980s. Through the years I have been employed, it has been a pleasure working with all the faculty and staff of the college and the university.

I would like to hand over my duties and responsibilities, and I would also be happy to help in making the transition smooth and trouble-free. Should any chance arise, it would be a pleasure to continue working with you in that respect. Please feel free to contact me via my phone number or email below.

I would like to claim the benefits due me as a retiree in this university, as part of my long service to the government.

I wish all the best for the Visayas State University.

Sincerely yours,

DR. EUGENE B. LAÑADA
