

20 July 2022

Dr. Dilberto O. Ferraren
Vice President-PRGAS and
BAC Chairperson
Visayas State University

Dear Dr. Ferraren,

Greetings of peace and good health!

In observance of the National Disaster Resilience Month, the Gender Resource Center through its Gender, Climate, and Disaster Resilience Program, in collaboration with the Institute for Strategic Research and Development Studies (ISRDS) and Regional Climate Change Research and Development Center (RCCRDC), will be conducting a one-day conference entitled "Gender and Disaster Resilience Conference" on Wednesday, July 27, 2022. It will be held at the Conference Room of the RCCRDC, Visayas State University-Main Campus, Baybay City at 8:00 AM to 5:00 PM.

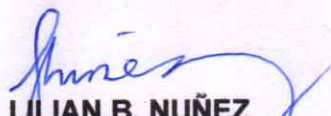

In line with this, we would like to ask for your approval to accommodate the following resource speakers at the VSU Apartelle on July 26-28, 2022:

1. Dr. Emma E. Porio
2. Ms. Antoinette Cherish Taus

It will be convenient and safe for them to be accommodated in a facility within the campus as they are both from Manila and are not familiar with our locality. Moreover, they will need to discuss with us collaborators before and after the conference.

Your support is highly appreciated.

Very truly yours,

LILIAN B. NUÑEZ
Director, ISRDS
