Dear Dr. Tulin:

Greetings.

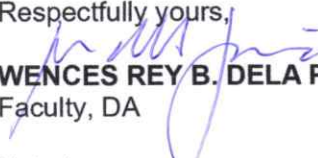

This is to inform your good office that after 3 years of my study leave, I would like to report back to work effective this June 16, 2022.

Unfortunately, I haven't completed my PhD study yet due to several reasons expressed in the attached progress report. I would like to sincerely apologize for the failure to graduate on the prescribed period.

Meanwhile, I promise to continue working on my dissertation while actively fulfilling my responsibilities as a faculty member.

Thank you very much for your continued support. God bless you.

Respectfully yours,
