Sir / Madam:

I would like to apply for readmission effective 2nd semester / ~~summer~~ 2021 -2022. My last attendance from this University 2ND semester / ~~summer~~ 2020 -2021. I was out of school for two(2) semester(s) because of the following reason(s): mainly because of my mental health declining at that time, as i have had been having problems coping up with online class since the past semester, as difficulties arises in balancing home and academic-related matters, I was also experiencing hindrances during this new normal, such as a bad environment and poor internet connection. Group works were evident at that time which I do not have the capacity to be able to do so at that moment and will hinder my group's performance.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
